22. QUALITY IN PHARMA INDUSTRY

Session Chair: *Vilmos Berényi, WIL-ZONE Consulting Office, Hungary*

Berényi, Vilmos (Hungary)

Vilmos Berényi is graduated chemist and also has a chromatographic analytical chemistry engineer degree. Recently he works as accredited quality systems manager at EOQ and as a lead assessor. He worked more than fifteen years in the manufacturing and analysis of pharmaceuticals (in quality manager, laboratory manager, quality development leader, validation project leader, consultant and quality assessor positions). Since 2004 he is the chairman of the Pharmaceutical Section at the Hungarian National Committee of the European Organization for Quality. In the WIL-ZONE Consulting he supports validation and risk management projects, building the GMP and ISO 9001 quality systems, as well as the accredited and also laboratories and information security management systems.
