**Session Chair: *Eric Janssens, European Organization for Quality, Brussels, Belgium***

**Janssens, Eric (Belgium)**

Eric Janssens has an academic degree in chemistry. He started his career as product and application scientist in France and the USA. For Philips in the Netherlands he was responsible for marketing and product management of scientific instrumentation and acted as Quality Manager during an international company transfer. Dr. Eric Janssens pursued a straight career in world-wide business as General Manager of a sensor division of Heraeus, became member of the board of a Tyco company and as Board Member and President he was responsible for the Biotechnology division at Sartorius. During the recent years he was active as investor and general manager in the service, real estate and leisure industry. Since 2008 Dr. Eric Janssens is in charge as Director General of the European Organization for Quality, based in Brussels.
